Hi Melissa and Cheryl,

We wanted to give you an update on the litigation as the ruling just came out today. The court granted summary judgment in EPA's favor in the Puget Soundkeeper Administrator determination lawsuit. The Order is attached.

I've also attached several recent letters that the Tribes have sent to Gina McCarthy regarding EPA promulgating human health criteria. In addition, there's one from the Seattle Human Rights Commission (which was also sent to Senator Cantwell and Senator Murray). Not sure if you've seen these or not.

Melissa – Angela and I will see you at the PPA meeting tomorrow and we can discuss more.

Please share with others at Ecology. Thanks,
